

Dear Parents,

Current sophomores and juniors can greatly benefit from ACT test preparation! FHS is pleased to announce that we have through a State of Illinois program have received a site license with ACT which allows us to have an ACT Online Prep code and password for all of our students. Students can use this code to access the official online ACT prep program at school or at home for one year!! All current sophomores and juniors will have opportunities to receive codes to use the online prep program. It has been proven that practice for these major tests can improve scores. If time permits, we will allow students to use the program here during learning labs. I hope you will encourage your student to use this tool to prepare for their future. This is a great **FREE** resource for the students of FHS.

Here's what you will find in the ACT Online Prep™ program:

- Practice tests with real ACT test questions
- Practice essays for the new optional ACT Writing Test, with real-time scoring
- Comprehensive content review for each of the ACT's four required tests—English, Math, Reading, and Science
- Diagnostic test and personalized Study Path
- Anywhere, anytime access via the Internet
